

Broker Bulletin: 2011-1057
Attention: Broker Correspondents

October 13, 2011

Topic: Union National Mortgage - Company Wide Annual Meeting

Summary:

UNM Wholesale will be closed on Thursday, October 20, 2011.

As we continue to work towards increased efficiencies and process upgrades for all of our Broker Partners, it's important to make sure all of our internal Partners are properly trained and informed on all the system upgrades as well. UNM Wholesale has some major technological upgrades currently in development, including a new LOS and a Broker Portal that will be introduced before year's end.

This is the one time a year that we bring every UNM Partner in from across the country and into corporate headquarters. We apologize for any inconvenience that this may cause to your current transactions in process. We appreciate your business, and we look forward to continued shared success in the future.

Please contact your locally assigned Account Executive with any questions.
